ORDINANCE NO. 310

AN ORDINANCE AUTHORIZING THE ISSUANCE OF A SINGLE FULLY REGISTERED WATERWORKS AND SEWER SYSTEM REVENUE IMPROVEMENT BOND, SERIES A, IN THE PRINCIPAL AMOUNT OF $424,000.00, FOR THE PURPOSE OF AIDING IN THE CONSTRUCTION AND INSTALLATION OF BETTERMENTS AND IMPROVEMENTS TO THE WATERWORKS AND SEWER SYSTEM OF THE CITY OF ATKINS, ARKANSAS

WHEREAS, the City Council of the City of Atkins, Arkansas, (herein sometimes referred to as "Council") has determined to construct betterments and improvements to the waterworks and sewer system (hereinafter sometimes referred to as the "System") of the City, and has caused to be filed with the City Recorder by a duly qualified engineer, chosen by the Council, plans and specifications and an estimate of the costs of constructing said improvements; and

WHEREAS, according to the above mentioned estimate, the cost of constructing the said betterments and improvements to the waterworks and sewer system, exclusive of funds from Federal grants and other funds, will be the sum of approximately $628,000, including engineering, legal costs, and other expenses incidental to the issuance of the bonds hereinafter described, which report has been examined and approved by the City Council; and

WHEREAS, it is proposed that the total cost to be provided by the City of Atkins to accomplish the said construction will be financed by the issuance of a single fully registered Waterworks and Sewer System Revenue Improvement Bond, Series A, in the principal amount of $424,000.00, and a single fully registered Waterworks and Sewer System Revenue Improvement Bond, Series B, in

the principal amount of $204,000.00; and

WHEREAS, the City is authorized under Act No. 131 of the Acts of the General Assembly of Arkansas of the year 1933, as amended, to issue and sell revenue bonds for the purpose of financing the cost of constructing the said betterments and improvements to the waterworks and is authorized under Act No. 132 of the Acts of the General Assembly of Arkansas for the year 1933, as amended, to issue and sell revenue bonds for the purpose of financing the cost of constructing the said extensions to the sewer system, including printing, legal, and other expenses incidental to the issuance of the bonds; and

WHEREAS, to secure a portion of the funds necessary to finance the construction of the said improvements and the engineering, legal, and other costs incidental to the issuance of the bonds for the said purposes, the Council has determined to issue the single fully registered Waterworks and Sewer System Revenue Improvement Bond, Series A, hereinafter authorized; and

WHEREAS, the United States Department of Agriculture has agreed to purchase the said bond herein authorized at par;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ATKINS, ARKANSAS:

Section 1. That the said betterments, extensions, and improvements to the waterworks and sewer system of the City be constructed in accordance with the plans hereinbefore referred to.

Section 2. That the City Council hereby finds and declares that the period of usefulness of the System after completion of the said improvements will be more than forty (40) years.

158
~~159~~

Section 3. That under the authority of said Act No. 131 of 1933, as amended, as construed by the Supreme Court of the State of Arkansas in the case of City of Harrison v. Braswell, decided April 15, 1946, and of said Act No. 132 of 1933, as amended, the City is hereby authorized to borrow the sum of Four Hundred Twenty-four Thousand Dollars ($424,000.00) from the United States of America, acting through the Farmers Home Administration, and issue as evidence thereof a "Waterworks and Sewer System Revenue Improvement Bond, Series A". Said bond shall bear interest at the rate of 3.649% per annum, payable annually beginning January 1 next following the date thereof, with principal and interest payable in annual amortized installments beginning on January 1, 1976, and on each succeeding January 1 thereafter, until the face amount of the bond, plus interest thereon, is fully paid, except that the final payment of the entire indebtedness if not sooner paid, shall be due and payable forty (40) years from the date of the bond. Said bond shall be issued in fully registered form without interest coupons; it shall be registered as to principal and interest by the Recorder of the City in a bond registration book and a certificate of such registration shall be endorsed on the bond. Thereafter, both the principal and interest shall be payable to the registered owner at his address appearing on the bond registration book.

The bond, together with interest thereon, shall be payable solely out of the Waterworks and Sewer Revenue Bond and Interest Sinking Fund, Series A and B, as hereinafter defined,

and shall be a valid claim of the holder thereof only against said Fund, and the amount of the revenues pledged to said Fund, which amount of said revenues is hereby pledged and mortgaged for the payment of the Waterworks and Sewer System Revenue Improvement Bonds, Series A and B, and shall be used for no other purpose than to pay the principal of and interest on said bonds. The said Series A Bond shall contain a recital that it is issued pursuant to said Act No. 131 and Act No. 132 of the General Assembly of Arkansas of the year 1933, as amended.

Section 4. The said bond shall be signed by the Mayor and Recorder and sealed with the corporate seal of the City and be in substantially the following form:

UNITED STATES OF AMERICA

STATE OF ARKANSAS

COUNTY OF POPE

CITY OF ATKINS

WATERWORKS AND SEWER SYSTEM REVENUE IMPROVEMENT BOND, SERIES A

KNOW ALL MEN BY THESE PRESENTS:

That the City of Atkins (herein called the "City"), in the County of Pope, and State of Arkansas, hereby acknowledges itself to owe, and for value received promises to pay to the registered owner hereof but solely from the special Fund provided therefor as hereinafter set forth, the principal sum of

FOUR HUNDRED TWENTY-FOUR THOUSAND DOLLARS

($424,000.00), (or so much of the face amount hereof as has been paid in the purchase of this bond as noted on the reverse hereof), plus interest on the unpaid balance at the rate of 3.649% per annum. The said principal and interest shall be payable in the following installments on or before the following dates: Interest only on the first days of January, 1974 and 1975, and $20,801.00 on the first day of January, 1976, and annually thereafter on the first day of January until principal and interest are fully paid, except that the final installment on the entire indebtedness evidenced hereby, if not sooner paid, shall be due and payble forty (40) years from the date of this bond. This bond shall be registered as to principal and interest in a bond registration book,

161
~~160~~

such registration to be noted on the back hereof and no transfer shall be valid unless made on the bond registration book and similarly noted on the back hereof. Thereafter, both the principal and interest shall be payable in lawful money of the United States to such registered owner at his address appearing on the bond registration book.

The City has agreed with the purchaser of this bond that the purchase price may be paid in one or more installments, not to exceed in the aggregate the principal sum hereof, and the obligation of the City hereunder shall in no event exceed the total amount of such partial payments, plus interest from the date each such partial payment is received by the City at the rate provided herein. In the event that the purchase price paid for this bond is less than its face value, as noted on the reverse of this bond, the difference shall be credited to the last maturing installments of principal.

This bond is issued for the purpose of aiding in the construction and installation of betterments, extensions, and improvements to the waterworks and sewer system (herein referred to as the "System") under and pursuant to and in full compliance with the Constitution and laws of the State of Arkansas, including particularly Act No. 131 of the regular session of the General Assembly of the State of Arkansas of the year 1933, as amended, as construed by the Supreme Court of the State of Arkansas in the case of City of Harrison v. Braswell, decided April 15, 1946, and Act No. 132 of the regular session of the General Assembly of the State of Arkansas of the year 1933, as amended, and pursuant

to ordinances and proceedings of the City Council duly passed, and does not constitute an indebtedness of said City within any constitutional or statutory limitations.

The bond of this series is on a parity with the single fully registered Waterworks and Sewer System Revenue Improvement Bond, Series B, of the City, in the principal amount of $204,000, and the principal of and interest on the bonds of both Series are payable solely from a fixed amount of the net revenues derived from the operation of the waterworks and sewer system in excess of the debt service requirements for the Water and Sewer Refunding and Improvement Revenue Bonds, of the City dated June 1, 1962, which amount shall be sufficient to pay the principal of and interest on this bond as the same become due and payable. Said amount has been duly set aside and pledged as a special Fund for that purpose and identified as the "Waterworks and Sewer Revenue Bond and Interest Sinking Fund, Series A and B", created by Ordinance No. _____, duly adopted by the City Council of the City of Atkins, on the _____ day of _____, 197__, under which this bond is authorized to be issued, and in said Ordinance the City of Atkins has fixed and has covenanted and agreed to maintain rates to be charged for the use of and services rendered by the System, which rates shall be sufficient at all times to provide for the payment of the principal of and interest on this bond as the same becomes due and payable, to provide and maintain a reserve for contingencies, to provide for the creation of separate depreciation funds for necessary replacements and repairs to the System, and to provide for the payment

of the reasonable expenses of operation and maintenance of the System.

This bond is expressly made negotiable under said Act No. 131 and said Act No. 132, as amended, and is issued with the intent that the laws of the State of Arkansas shall govern the construction thereof.

By virtue of the authority of said Act No. 131 of the General Assembly of the State of Arkansas for the year 1933, as amended, there is granted and created a statutory mortgage lien on the betterments and improvements to the waterworks to and in favor of the holder of this bond; and said betterments and improvements to the waterworks shall remain subject to such statutory mortgage lien until the payment in full of this bond, both principal and interest, shall have been made.

Prepayments of scheduled installments, or any portion thereof, may be made at any time at the option of the City. Refunds and extra payments as defined in the regulations of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the installments last to become due under this bond and shall not affect the obligation of the City to pay the remaining installments as scheduled herein.

IT IS HEREBY CERTIFIED, RECITED, and DECLARED that all acts, conditions and things required by the Constitution and laws of the State of Arkansas to exist, happen, and be performed precedent to and in the issuance of this bond, have existed, have happened, and have been performed in due time, form and manner, as required by law, and that sufficient of the income

and revenue which is deemed to be derived from the operation of said System has been pledged to and will be set aside into said special Fund for the payment of the principal of and interest on said bond; and that the indebtedness represented by this bond and the issue of which it forms a part, does not exceed any constitutional or statutory limitations.

This bond shall not become a valid obligation of the City until the Certificate hereto has been duly executed by the Treasurer of the City.

IN WITNESS WHEREOF, the City of Atkins, Arkansas, by its City Council has caused this bond to be signed by the Mayor and City Recorder thereof and sealed with the corporate seal of said City, all as of the 8th day of January, 1973.

Certified to be the bond mentioned and described herein.

Dallas L. Swan

Treasurer of the City of Atkins, Arkansas

The purchaser acknowledges that the purchase price of this bond has been paid in installments in the amounts and on the dates set forth below as endorsed by the signature of its authorized officer.

Amount Paid	Date Paid
$_____	_____
$_____	_____
$_____	_____
$_____	_____
$_____	_____

There shall be printed on the reverse of said bond a registration certificate in substantially the following form:

I, the undersigned, City Recorder within and for the City of Atkins, in Pope County, Arkansas, do hereby certify that the within bond has been registered as to principal and interest as indicated in the registration blank below in a book provided for that purpose and in the manner required by law. The principal of and interest on this bond shall be payable only to the registered

owner hereof named in the registration blank below or his legal representative, and this bond shall be transferrable only by an appropriate notation on the bond registration book of the City.

Date of Registration	Name of Registered Owner	Signature of Registration Agent

Section 5. The rates for the services of the System established by Ordinance No. 299 of the Ordinances of the City of Atkins are hereby confirmed. The said rates are deemed reasonable and necessary minimum rates to be charged and will produce a total revenue sufficient to pay the total operation and maintenance expenses of the System, to provide for the debt service requirements of all authorized and outstanding revenue bonds of the City, and to provide for the payment of the bond issued hereunder, both principal and interest, as the same fall due and are payable, and to create all funds herein provided.

Said rates shall never be reduced until the bond herein authorized has been paid in full and shall, when necessary, be increased in an amount sufficient to provide for the maintenance of the funds hereinafter described.

Section 6. The Treasurer of the City shall be the custodian of the revenues derived from the System and shall give sufficient bond for the faithful discharge of all duties as such custodian (the amount of such bond to be $60,000, but in no event less than the total funds at any time in the hands of the Treasurer and to be approved by this Council). A like bond in a sufficient amount to be approved by the Council, shall be required of each person handling funds of the System.

Section 7. After there shall have been paid from the Water and Sewer Fund of the City, established by Ordinance No. 258 of the Ordinances of the City of Atkins, Arkansas, passed and approved August 7, 1962, the funds required to be paid therefrom into the Water and Sewer Operation and Maintenance Fund established by said Ordinance No. 258, the funds required to be

paid into the Water and Sewer Refunding and Improvement Revenue Bond Fund of the City, established by said Ordinance No. 258, to meet the debt service requirements of the Water and Sewer Refunding and Improvement Bonds of the City, dated June 1, 1962, and the funds required to be paid into the Water and Sewer Depreciation Fund established by said Ordinance No. 258, and to establish and maintain all reserve funds in connection therewith, there shall be paid by the City Treasurer from the said Water and Sewer Fund of the City, and deposited into a fund which is hereby created and designated Waterworks and Sewer Revenue Bond and Interest Sinking Fund, Series A and B, (hereinafter sometimes called the "Sinking Fund"), on or before the fifth day of business of each month until the bond issued hereunder and the interest thereon have been paid in full, or provision made for such payment, a sum equal to one-twelfth (1/12th) of the next installment of principal of and interest on the bond, plus the sum of Two Hundred Eleven Dollars ($211.00) until there shall have been accumulated a debt service reserve in the amount of Twenty-one Thousand One Hundred Dollars ($21,100.00); PROVIDED, HOWEVER, that when in any fiscal year no principal of or interest on the bond is in default and the amount in the Sinking Fund provides a reserve in the sum of $21,100.00, and so long as the said debt service is so maintained, the amount so deposited each month into the said Sinking Fund shall equal one-twelfth (1/12th) of the next installment of principal and interest.

If the revenues of the System in any month are insufficient to make the required payment on the fifth business day of the following month into the Sinking Fund, then the amount of any deficiency in the payment made shall be added to the amount otherwise required to be paid into the Sinking Fund on or before the fifth day of the next month. The amount by which payments on the principal of and interest on the Waterworks and Sewer System Revenue Improvement Bonds, Series A and B, in any fiscal year exceed the aggregate amount of interest and principal payable in the next succeeding fiscal year, shall be held in said Sinking Fund as a reserve for contingencies and used solely as herein provided; PROVIDED, HOWEVER, that when the moneys held in the Sinking Fund, including the reserve for contingencies, shall be and remain sufficient to pay the principal of and interest on the Waterworks and Sewer System Revenue Improvement Bonds, Series A and B, then outstanding, the City Treasurer shall not be obligated to make any further payments into the Sinking Fund. If, for any reason, the City Treasurer shall fail at any time to make any of such payments into the Sinking Fund, any sums then held as a reserve for contingencies shall be used to the extent necessary in the payment of the interest on and the principal of the Bond, but such reserve shall be reimbursed from the next available revenues of the System. All moneys in the Sinking Fund shall be used solely for the purpose of paying on a parity the interest the interest on and the principal of the said Waterworks and Sewer System Revenue Improvement Bonds, Series A and B.

Section 8. It shall be the duty of the City Treasurer to withdraw from the Sinking Fund at least five days before the maturity date of any payment of principal of or interest on the Bond issued hereunder, and to forward to the place of payment, an amount equal to the amount of such principal or interest payment for the sole purpose of paying the same, and no withdrawal of funds from the Sinking Fund shall be made for any other purpose except for the payment of the principal of and interest on the Waterworks and Sewer System Revenue Improvement Bonds, Series B, and except as otherwise authorized by this Ordinance. Such deposit shall be at the sole risk of the City and shall not operate as a payment of the principal or interest until so applied.

Section 9. Until the Bond herein authorized to be issued has been paid in full, both principal and interest, the City shall maintain the said Water and Sewer Fund, Water and Sewer Operation and Maintenance Fund, and Water and Sewer Depreciation Fund as created and established by said Ordinance No. 258, passed and approved on the 7th day of August, 1962.

Section 10. So long as there is no default in the payment of the principal of or interest on the Waterworks and Sewer System Revenue Improvement Bonds, Series A and B, or either of them, the Council may invest funds on deposit to the credit of the Sinking Fund in excess of the requirements of the Fund, in direct obligations of, or in obligations the principal of and interest on which are guaranteed by, the United States of America.

Section 11. This Bond, together with the interest thereon, shall be payable solely out of the Sinking Fund as hereinbefore defined and on a parity with the Series B Bond, shall be a valid

claim of the holder thereof only against said Fund, and the amount of the revenues pledged to said Fund, which amount of said revenues is hereby pledged for the equal payment of the said Series A and B Bonds, and shall be used for no other purpose than to pay the principal of and interest on the said Bonds as the same accrue, except as herein provided.

Section 12. The Sinking Fund herein created shall be established and maintained so long as the Bond is outstanding in such depository bank or banks, which must hold membership in the Federal Deposit Insurance Corporation, as may be lawfully designated from time to time, subject however, to the giving of security by such depository as now or as hereafter may be required by law. The depository bank or banks shall give security, either by corporate bond or by the escrow of bonds or other direct or fully guaranteed obligations of the United States of America, for all sums on deposit with it or them in excess of $20,000, or in excess of insured funds.

Section 13. IT IS HEREBY COVENANTED AND AGREED by the City with the holder of the Bond herein authorized to be issued that it will perform all duties with reference to the System required by the Constitution and laws of the State of Arkansas, including making and collecting of reasonable and sufficient rates lawfully established for services rendered by the System, segregating the revenues of the System and its application to the respective Funds herein defined, and, except as provided herein, the City hereby irrevocably covenants, binds and obligates itself not to pledge, mortgage or otherwise encumber the System or any part thereof, or any revenues derived from the operation of the System or any part thereof, and that it will not sell, lease or

otherwise dispose of the System or any portion thereof, unless and until the principal of and interest on the bond issued hereunder shall be paid in full, or unless and until provisions shall have been made for the payment of the bond and interest thereon in full, and the City further covenants and agrees with the holder of the bond to maintain the System in a satisfactory condition and to operate the same continuously in an efficient and economical manner.

Section 14. The City will maintain the System in good condition and operate the same in an efficient manner and at a reasonable cost. So long as the bond is outstanding, the City agrees to maintain fire, and extended insurance on all above ground structures exclusive of reservoirs, standpipes and elevated tanks, coverage of which may be at the option of the City, in an amount which normally would be carried by a private company engaged in a similar type of business. In the event of loss, the proceeds of such insurance shall be applied solely towards the reconstruction, replacement or repairs of the System. In such event, the City will, with reasonable promptness, cause to be commenced and completed the reconstruction, replacement, or repairs.

If the operation of the System requires the use on public highways of a motor vehicle or vehicles owned by the City, the City will maintain public liability insurance to the limit of not less than $10,000 in respect to bodily injury or death to any one person, to the limit of not less than $100,000 in respect to any one accident, and to the limit of $5,000 in respect to damage to property.

if default shall be made in the due and punctual performance of any of the other covenants and agreements contained in the bond or in this Ordinance, the holder of the bond may enforce the statutory mortgage lien upon said waterworks system in accordance with the provisions of Section 7 of the said Act No. 131, and may by proper suit compel the performance of the duties of the officials of the City, as set forth in said Act.

If there be a default in the payment of the principal of or interest on the bond, and such default shall continue for thirty (30) days thereafter, any court having jurisdiction in any proper action may appoint a receiver to administer the said System on behalf of the City, with power to charge and collect rates sufficient to provide for the payment of the bond and interest thereon and for the payment of the operating expenses and to apply the income and revenues in conformity with the said Act and this Ordinance providing for the issuance of said bond.

Section 17. The proceeds from the sale of the bond shall be deposited into the Construction Fund and used for the accomplishment of the improvements and the expenses incurred by the City in authorizing, selling and issuing the bond.

Any unexpended balance remaining in the Construction Fund after payment of all construction costs and expenses shall be used solely for making prepayments on the bond.

Section 18. That so long as the bond hereby authorized remains unpaid the City will not borrow any money from any source or enter into any agreement or incur any other liabilities, in connection with making improvements or extensions to the System, without obtaining the prior consent of the Farmers Home Administration.

176
~~175~~

condition and records of the operation of the City and of the System and shall include, but shall not be limited to, the following information: An evaluation of the manner in which the City has complied with its covenants hereunder; a statement of the operating income and expenses, an analysis of each Fund provided herein including the deposits, withdrawals, and beginning and ending balances; a general balance sheet; the schedule of rates charged for each class of service as of the commencement of the fiscal year, the gross revenues received, and the number of connections; schedule of insurance policies and fidelity bonds in force showing with respect to each policy and bond the nature and amount of the risk covered, the expiration date, and the name of the insurer; names and titles of principal officers of the City and of the Waterworks and Sewer Commission, if any; and a general statement concerning any events or circumstances which might possibly affect the financial status of the System.

Section 16. There shall be a statutory mortgage lien on the betterments and improvements to the waterworks system constructed hereunder, including the real property on which it is situated, as provided in the said Act No. 131, as amended, which shall exist in favor of the holder of the bond, and the said improvements to the waterworks system shall remain subject to such statutory mortgage lien until payment in full of the interest on and principal of the bond. If there be any default in the payment of either the interest on or principal of the bond, and such default shall continue for thirty (30) days thereafter, and

If five or more persons are employed by the City in the operation and maintenance of the System, the City will maintain Workmen's Compensation Insurance for the benefit of all persons so employed.

Nothing herein shall be construed as requiring the City to expend any funds for premiums on its insurance required by this Section, which are derived from sources other than the operation of the System, but nothing herein shall be construed as preventing the City from doing so.

Section 15. The City will keep proper records, books, and accounts, relating to the System in accordance with generally accepted accounting practices for facilities of like type and size, in which complete and correct entries shall be made of all transactions pertaining thereto. All such books, records, and accounts, shall at all times during normal business hours be subject to the inspection by the holder of the bond issued hereunder and to any agent or representative of any such holder. So long as the bond issued hereunder is outstanding, the City will furnish to the holder periodic operating statements of the System in such form and substance and for such periods as may be required. Not later than ninety (90) days after the close of each fiscal year (or as soon after the close of each fiscal year as provisions may be made therefor) the City will, upon written request, furnish to the holder of the bond issued hereunder, an audit covering such fiscal year certified by the Division of Local Audits of the office of the State Comptroller or by an independent certified public accountant. The said audit shall reflect in reasonable detail the financial

Section 19. All revenues from the System shall be deposited in such depositary or depositaries as may be lawfully designated from time to time, subject, however, to the giving of security by each such depositary as now or as hereafter may be required, and provided each such depositary shall hold membership in the Federal Deposit Insurance Corporation. All deposits shall be made in the name of the City and be so designated as to indicate the particular fund to which the revenues belong. Payments from the Sinking Fund set out in this Ordinance shall be made by check or voucher signed by two duly designated persons and drawn on the depositary in which the moneys in said Fund shall have been deposited, and each such check or voucher shall briefly specify the purpose of the expenditure.

Section 20. The Mayor is hereby directed to publish for one insertion in a newspaper published and of general circulation in the City of Atkins, Arkansas, this Ordinance to which is attached a Notice signed by him in substantially the following form:

"N O T I C E

NOTICE IS HEREBY GIVEN that the City Council of the City of Atkins, Arkansas, has adopted the Ordinance hereinafter set out; and the said City contemplates the issuance of the bond described in said Ordinance; that any person interested may appear before the Council on the 6th day of February, 1973, at 7:00 o'clock, P.M., at the usual place of meeting at the City Hall, and present protests. At such hearing all

177

objections and suggestions will be heard and the said Council will take such action as is deemed proper in the premises.

DATED this 8th day of January, 1973.

Mayor of the City of Atkins, Arkansas

ATTEST:

City Recorder"

Section 21. If any provision of this Ordinance shall for any reason be held illegal or invalid by the courts, it shall not affect the validity of the remainder of the Ordinance.

Section 22. All ordinances or resolutions or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

Section 23. This Ordinance shall not create any right of any character, and no right of any character shall arise under or pursuant to it, until the bond authorized by this Ordinance, shall be issued and delivered.

Section 24. It is ascertained and declared that the lack of an adequate waterworks and sewer system for the City of Atkins, Arkansas, endangers the life, health and property of the inhabitants of the City; that it is necessary that the City immediately construct betterments, and extensions, and improvements to its waterworks and sewer system to protect and preserve the life, health and property of its inhabitants; that it is necessary to

finance the cost of construction thereof by the sale of revenue bonds; and only by the adoption of this Ordinance can the City proceed to the expeditious construction of the improvements. IT IS, THEREFORE, declared that an emergency exists, that this Ordinance is necessary for the immediate preservation of the public peace, health and safety, and that this Ordinance shall take effect and be in force from and after its passage.
